

Established 1990

Chief Casey J. Fillinger

**Request to be placed on North Topsail Beach Police Department's
"Courtesy House Check List"**

This is not a contract nor a guarantee of protection. You may have your home placed on the courtesy house check program for up to three (3) months each year. Unfortunately, we are unable to accommodate requests for those who do not have a date of return. For safety reasons, only those homes which are certain to be unoccupied for your indicated absence will be added to the courtesy house check list.

I, _____ do hereby request that my residence be placed on the North Topsail Beach Police Department's courtesy House Check list. I understand that in no way does this request create a contract, or specific promise of a duty between the Police Department and me. I understand that this request does not obligate the Police Department to check my residence, nor does it guarantee that my residence and property shall remain free from harm. The Police Department may attempt to check the residence, time permitting, during my absence, and attempt to contact me through information provided, should they discover signs of illegal activity. I do hereby indemnify and hold harmless the Town of North Topsail Beach and the North Topsail Beach Police Department and its officers from any claim, expectation, or liability arising from this request for a courtesy house check.
